Terms & Conditions

1

Non-Refundable Policy

All payments are strictly non-refundable under any circumstances including application withdrawal after submission, visa refusal by the embassy or consulate, or delay in visa processing. Once the process has been initiated, no refund request will be entertained.

2

Zero-Tolerance Policy

We maintain a professional work environment. Any misbehaviour, abusive language, or unprofessional conduct towards our team will result in immediate termination of services, with communication blocked and no refund applicable.

3

File Hold Option

You may place your visa application on hold for up to 3 months after initial consultation and payment. After this period, the case will be considered inactive and a fresh application process with new charges may be required.

4

Authenticity Clause

All documents submitted must be authentic, genuine, and verifiable. Any false or fraudulent documents will lead to immediate termination of services and potential reporting to relevant authorities, with no refund applicable.

5

Responsibility Disclaimer

While Vistaar Immigration provides professional assistance throughout the visa process, the final decision lies solely with the respective embassy or consulate. We are not responsible for any decisions, processing delays, or changes made by immigration authorities.

6

Visa Refusal & Entry Denial

In cases of visa refusal, visa cancellation, or entry denial at the border, Vistaar Immigration will not be held responsible. Once a visa sticker has been issued, verify all visa details (dates, validity, conditions). Altering your itinerary or travel route after visa issuance may result in border denial — such outcomes are beyond our control.

IMPORTANT NOTICE

- All documents must be clear, valid, and submitted within the specified time frame.
- Additional documents may be requested depending on the applicant's profile.
- Delays caused by incomplete submissions are the applicant's responsibility.
